

NOTICE TO PROSPECTIVE PHARMACY TECHNICIAN STUDENTS

Remington College is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC). The ACCSC is located at 2101 Wilson Boulevard, Suite 302, Arlington, VA 22201, phone number (703) 247-4212. The Accrediting Commission of Career Schools and Colleges is recognized by the U.S. Department of Education as a national accrediting agency.

The pharmacy technician program conducted by Remington College in Shreveport, LA is accredited by the American Society of Health System Pharmacists (“ASHP”) and the Accreditation Council for Pharmacy Education.

ASHP requires that Remington College provide applicants, prior to enrollment, with information about:

- (a) Qualifications to enroll;
- (b) The purpose of the training program;
- (c) Requirements for state registration or licensure as a pharmacy technician;
- (d) Requirements for obtaining and maintaining national pharmacy technician certification;
- (e) Programmatic and institutional accreditation status;
- (f) Prospects for employment;
- (g) Realistic salary expectations or referral to local, state, or national statistics for salary expectations;
- (h) Total program cost;
- (i) The program’s dismissal policy including academic and non-academic criteria, including, but not limited to, the organization’s student code of conduct; and
- (j) Graduate performance on national exams.

The current qualifications to enroll, purpose of the training program, programmatic and institutional accreditation status, and dismissal policy including academic and non-academic criteria, including, but not limited to, the organization’s student code of conduct are published in the College Catalog, which was provided to you during the admissions process. The total program cost is published in the Addendum to the College Catalog, which was also provided to you during the admissions process, and is stated on the Application and Enrollment Agreement that you will sign prior to enrollment. A copy of the current College Catalog and the current Addendum to the College Catalog may be accessed at any time by visiting Remington College’s website at <https://www.remingtoncollege.edu/catalogs/>.

The requirements for state registration or licensure as a pharmacy technician vary by state. The current requirements for state registration in Louisiana are published on the Louisiana Board of Pharmacy’s website at <http://www.pharmacy.la.gov/index.cfm?md=pagebuilder&tmp=home&pid=426>.

Graduates of the pharmacy technician program may be eligible to seek two national pharmacy technician certifications: (1) The Pharmacy Technician Certification Board (PTCB) Certified Pharmacy Technician (CPhT) Certification and (2) the National Healthcareer Association (NHA) Certified Pharmacy Technician (CPhT) Certification.

The current requirements for obtaining and maintaining the PTCB CPhT Certification can be accessed on PTCB’s website at <https://www.ptcb.org/credentials/certified-pharmacy-technician>. One of the requirements for obtaining the PTCB CPhT Certification is a passing score on the PTCB Pharmacy Technician Certification Exam (PTCE). The performance of Remington College graduates on the PTCE for the prior three calendar years is summarized in the table below.
