Remington College School of Dental Hygiene

441 Donelson Pike, Suite #490, Nashville, TN 37214

Cannot be combined with any other offer. Patient must have exam before cleaning, treatments, or sealant application. Exam is at no-charge. There are other applicable fees for other exams, any and all x-rays, and other services, that will be charged if the dentist/student warrants them necessary as a result of the exam. These x-rays, exams, and other services are not part of any of the discounted cleanings; therefore, the price on these other applicable fees will not be discounted. Sealants can only be placed after the approval of the supervising dentist. If a tooth has decay, it is not a candidate for sealants. The Dental Hygiene program is accredited by the Commission on Dental Accreditation (CODA). The commission is a specialized accrediting body recognized by the USDE. CODA can be contacted at (312) 440-4653, <https://coda.ada.org/en>, or at 211 East Chicago Avenue, Chicago, IL, 60611.
